

Dear Parents

We are enjoying our topic on 'Space' and today we found an alien called Little Purple who had accidentally got left behind by Q Pootle 5.

On Friday we will having an 'Alien' party to say goodbye to Little Purple as we send him off to space in our carefully constructed junk model rockets. We would be grateful if you could provide some party snacks for this event. We are not too sure what aliens eat! (star sandwiches, glittery cup cakes, hula hoops, rock cakes, alien gingerbread men) anything you can think of really!

Just a reminder that our Year R open afternoon for parents is on Thursday 1st March at 3pm - all welcome (grandparents, childminders...)

Thank you so much for all your help and support.

Kind Regards

The Year R Team and Little Purple
