Dear Parents

WALES UPDATE

We used a new medical form this year and, unfortunately, it did not contain the following information:

PHOTOGRAPHY & MARKETING

Hampshire Outdoor Centres occasionally take photographs of participants. May we use images of your son/daughter for publicity purposes including our website and social media?

From experience, photographs are often of groups; and individuals are difficult to identify as they are wearing waterproofs or dressed for caving.

If you **do not** give permission please let the office or class teacher know.

LAYERS OF CLOTHING

We have also been advised by the Hampshire Outdoor Centre staff that children should have plenty of additional layers to wear in the likely event of the weather being cold.

EARRINGS

Additionally, for safety, earrings need to be simple flat studs to avoid catching on waterproof coats.

Thank you for your support

Yours sincerely
