

Swanmore C.E. (Aided) Primary School

28th November 2017

Dear Parents

On Monday 8th January Year 6 children will be visiting INTECH, the Hampshire Technology Centre in Winchester, as part of the science and technology curriculum.

We will be travelling by coach, leaving school at approximately 9.15am and returning at approximately 2.45pm. Each child will require a packed lunch with a non-fizzy drink and should wear normal school uniform.

The cost of this visit is £12.00 per child which will cover the coach fare, entrance fee to INTECH and a 'Solar System and Beyond' live show. All our day visits are non-profit making. Although contributions to school trips are voluntary if insufficient contributions are received unfortunately the trip maybe cancelled.

We are aware that some of the children will have visited INTECH previously with the school in year 2. However in order to meet the new curriculum and to help 'hook' the children into our Space project we feel that the visit will be greatly beneficial. The children will see a Solar System show and experience the exhibits with renewed interest and knowledge.

Please complete the form below and return it to school via your class teacher by 18th December 2017. Please put any money in a sealed envelope and write your child's name, class and "INTECH" on the outside, alternatively you are able to pay online via scopy. If there are any problems please let us know.

We would be delighted to receive help on this trip. If any parents are able to help on this day please let your child's class teacher know. Thank you.

Yours sincerely

T Hughes
