

Year 4 Spring Term

Maths

This term we will be developing our understanding of fractions, decimals, addition, subtraction, multiplication and division strategies. We will continue to further our understanding of written methods, reasoning and problem solving skills.

We will also work hard to improve our understanding of shape, data and measure

English

Firstly, we will be exploring a story from the point of view of an evacuee in WWII (Carrie's War), and using this to inspire a range of writing opportunities such as letters and diaries.

Whilst working on the production we will be exploring play scripts. We will read and write scripts using the appropriate conventions.

Key Dates for the term

Production dates:

Tuesday, 2nd April at 2.00pm

Wednesday 3rd April at 6.00pm

Church Assembly:

Y4H, Wednesday, 23rd January

Y4J, Wednesday, 30th January

Reading information meeting:

Thursday 7th February at 2:45

Y4 Open Afternoon:

Wednesday 13th February at 3:00

Science

Sound

We will be raising questions to help us investigate sound, including: how sound is measured, how it travels and how we hear sound and how it can be blocked.

Production

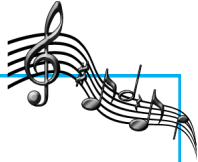

This term, Year 4 will be rehearsing for their Spring Term performance.

We will work on stage presence, use of voice and gesture in order to produce a spectacular show which we hope you will all enjoy.

Don't Forget

Although our production is the main focus for the second half term, we do expect the children to continue with their usual reading, spelling, number bonds, tables and homework patterns.

Music

This term's instrument is voice. We look forward to sharing our skills with you as we develop them. We are looking forward to singing to you as we perform our production.

ICT

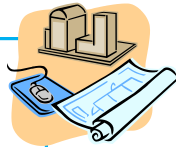

We will explore different ways of sharing information and remind ourselves about the importance of E-Safety.

Then, we will learn about spreadsheets and how they are used.

Art

We will be busy designing scenery, costumes, tickets and programmes for our production.

History

Our history this term is all about WWII with particular focus on the Battle of Britain and the chronology of events that took place at this time. We will complete the boat building challenge and make a model Spitfire.

PSHE

In our personal learning we will be thinking about relationships, including those in families and in the community. Our lessons will also cover life skills, such as listening to others, supporting and showing care.

RE

Devotion:
Through this concept, we will be learning about the Hindu festival 'Holi'.

Gospel:
We will make links between the calling of the first disciples and how Christians today try to follow Jesus and be 'fishers of men'.

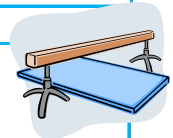

French

This term we will learn and develop our knowledge of clothes through story and rhyme.

Develop bi-lingual dictionary skills.

We will also be revising days of the

PE

Outdoor games will focus on netball skills; moving, passing and receiving.

Our dance sessions will explore how movement can enhance a performance as we link it to our production and our project.
