

7<sup>th</sup> November 2018

Dear Parents,

**Year 1 Only**

This school year I am championing the role of Parent Liaison, driving forward ideas to support families with learning at home.

I would like to trial a session called Let's Learn Together which would involve both you and your child working on something together so that you have additional ideas to use at home. I thought that the best one to start with would be reading.

At 2:30 on Thursday 29<sup>th</sup> November, I would love to see you in the hall. The session will start with a few short video clips of me (cringe) supporting children in our weekly group read. I've tried to include a range of different ideas for varying levels of reading confidence. There will also be a handout with ideas of games and strategies to enhance reading at home. We'll finish the session with some 1-1 reading for you and your child, where we can practise a few ideas.

If you could indicate on the form below whether you will be able to attend then I can plan accordingly.

I look forward to seeing you then.

Yours sincerely
