FOSPS FOOTBALL & NETBALL IMPORTANT INFORMATION!!!!

We frequently have to review all the activities that are run in school in order to comply with the necessary governing regulations and as part of such review some changes have had to be made to the way the in which both FOSPS Football and Netball are run.

Therefore, from the start of this year a different application form has to be completed for every child which incorporates the Rules and Codes of Conduct which we must all now abide by. These really put into written form much of what has already been started but there are some areas such as supervision of children and medical requirements that have had to be included.

We must stress that none of the changes will affect the children's enjoyment of taking part in either activity.

Should you have any concerns please do not hesitate to contact either Mr Yeoman or FOSPS for any clarification you may need.

Application forms can be obtained from the trays on the wall in reception or at FOSPS on Saturday.

Many thanks for your cooperation in this.

Andy Yeoman and FOSPS.
