Dear Parents

Year 1 Only

Thank you to all those parents who have returned the pedometers and boxes. However, there are still a number of pedometers outstanding which urgently need to be returned, with the box in which they were sent home.

As these pedometers are on loan to us from another school it is imperative that they are returned to us immediately.

The Year 2 children are very disappointed as they are unable to begin their challenge due to insufficient pedometers.

Yours sincerely

Andy Yeoman
Headteacher
