

30<sup>th</sup> June 2010

Dear Parents

Once again we are pleased to be able to offer you the opportunity of purchasing a healthy snack for your child/children each morning.

You may be aware that every Infant child (Year R - Year 2) receives either an item of fruit or vegetable every morning paid for by central Government. These snacks vary depending on the season and all of the children are given the same fruit or vegetable each day. After talking to the suppliers we are able to offer the same service to the Junior children for only 10p a day! I'm sure you'll agree this represents excellent value for money.

To order the fruit in advance we would need payment for a whole term, which would be £7.00 per child. Please note that as we do have to order these items in advance we would be unable to make refunds for days when children are off sick or on holiday, etc.

If you would like your child/children to receive a healthy snack each day during the Autumn Term please fill in the form below and return to school by Wednesday, 7<sup>th</sup> July at the latest.

If you have any other questions about this scheme please don't hesitate to contact me.

Yours sincerely

Andy Yeoman
