Dear Parents,

Re: School Crossing Patrol Replacement

We are writing to keep you up to date on our endeavours to secure a temporary replacement school crossing patrol to cover Mrs. Cook's convalescence. Both Mr. Yeoman and the Governors have been in regular contact with the providers, Hampshire County Council, however there is no one suitably qualified to fill the vacancy.

We ask that parents ensure their children are appropriately supervised when crossing the extremely busy road and remind car drivers to park with care and reduce speed when in the school vicinity.

We will continue to put pressure on the Council, highlighting our concerns for the children's safety. If anyone feels they would be able to take on the role for the remainder of this term, with appropriate training, then please let Mr. Yeoman know.

Yours sincerely
