

3rd September 2008

Dear Parents

At the end of last term we were involved in an appeal for a child to be admitted into Year 5 which was already full with 64 children. We lost the appeal as it was decided that Swanmore Primary School was the most appropriate school to cater for this child's specific medical condition.

Mr Cook's class will, therefore, contain 33 children. This is an exceptional circumstance and we are not increasing the size of the classes throughout the juniors.

Yours sincerely

Andy Yeoman
Headteacher
