

Fun Français

5th September 2008

Dear Parents,

The after-school French club will start from Monday, 15th September. Please complete and return the attached slip if your child would like to continue or start practising French this year.

All KS2 children will be learning French in class by the end of September, but the scheme of work will be different from that of the Skoldo scheme used in the French Club, which will complement work done in the classroom with the class teachers.

There is a charge for French Club of £2.50 per session per child, payable termly in advance, plus the cost of a workbook for the 1st and 3rd years, of about £5.

Class lists will be posted on Mrs Toft's classroom window (at the front of the school) on Monday the 15th September - please check your name is there as numbers for each class are limited! Replies are needed by Monday, 8th September, please.

Merci!

Virginie Moate

Fun Français

My child would like to attend the following club session (Please tick):
