

8th September 2008

Dear Parents

After the success of last year's Parent Partnership Group I am keen to continue these meetings. These will take place approximately once every half term and the focus of the group will be to give a representative view of the parents about various school issues and events. Last year's group was instrumental in making changes to the format of the annual school report, parents evenings and the choice of school photographer.

If you would like to be involved in this group then please contact the school office before Friday, 12th September.

These meetings will take place during the school day, but dates will be set in advance for the whole year to help with working hours or childcare arrangements.

We feel that 15 parents would be a good size for the group and so we may not be able to accommodate all those who are interested. We would also be very keen for some dads to be involved!

Yours sincerely

Andy Yeoman
Headteacher
