

## FOSPS Netball - Year 3

FOSPS Netball is due to start this Saturday 13<sup>th</sup> September. It is for Years 3, 4, 5 and 6 and provides a fun way to learn, practice and improve netball skills. Children just starting Year 3 are encouraged to come along and see how much fun it is. The cost is £15 per term with all money going back to the School.

The sessions run from 10.00am until 11.30am each Saturday, taking place on the Primary School playground. No netball experience is required; this is all about learning the game and improving your skills.

I hope to see you all there

Katie Thompson
