

29th September 2009

Dear Parents

I am writing to offer you the opportunity to have a look around the school this Friday, 2nd October from 3.30 - 4.00pm. After a month back at school we thought you may like to come in and have a look at your child's classroom and also have a look at other areas of school.

This will not be an opportunity to discuss your child's progress with the teacher, but rather a chance to look at displays and the different rooms (ICT Suite, Music and Drama Room, etc).

We hope you find this useful in becoming more familiar with your child's classroom and the school building.

Yours sincerely

Andy Yeoman
Headteacher
