Dear Children

We would like to invite one of your Teddy Bears to come to school for a long holiday.

Make sure it isn't your favourite bedtime bear because the teddies sleep at school each night and we don't want you to miss them too much.

Your teddy will have lots of fun. They get to make new friends, have their picture taken, go on a picnic, watch you doing some really fun things and goodness knows what they get up to when we've all gone home!

Later in the term we will be learning about old bears too. We will ask your parents and grandparents if we can borrow their very old teddy bears!

We look forward to seeing your teddy bears. Bring them to school tomorrow.

Mrs Hatt; Mrs Hughes and Mrs Wills
