

22nd June 2009

Dear Parents

We are pleased to have been given the opportunity for Y2C to take part in a multi-skills festival on Tuesday, 23rd June. The aim is to introduce children, in a fun and relaxed environment, to a variety of skills and sporting activities. The three key areas of focus will be agility, balance and co-ordination.

The event will take place at Swanmore College in the Sports Hall and will be led by teachers and junior leaders from the Technology College. We will be leaving at 9.20am and walking to the College, and will arrive back in time for lunch.

We are looking forward to a fun and enjoyable morning.

Yours sincerely

K Coombes
