

15th June 2010

Dear Parents

KS2 Multi-Skill Festival at Swanmore College - Wednesday, 23rd June

We are pleased to have been given the opportunity for the children in Y3D to take part in a multi-skills festival on Wednesday, 23rd June. The aim is to introduce children, in a fun and relaxed environment, to a variety of skills and sporting activities. The three key areas of focus will be agility, balance and co-ordination.

The event will take place at Swanmore College in the Sports Hall and will be led by teachers and junior leaders from the Technology College. We will be leaving at 11.15am and walking to the College. Lunch will be eaten at the college. As this is an early lunch we would like the children to bring in a packed lunch rather than have a school dinner.

The children will walk back to the primary school for approximately 2.45pm.

We are looking forward to a fun and enjoyable afternoon.

Yours sincerely

L Hatt
PE Leader
