Dear Parents

YEAR 5 HOMEWORK

Your child has been given a homework book in which he/she will be expected to complete many of the homework tasks this year.

The chart inside the front cover will enable you to see the date on which the work was set and we would like you to sign in the last column when your child has completed the work.

The book should be returned in its folder to school on the following Wednesday after the work has been set, this will enable the teacher to mark it before sending home the next week's task.

Homework will be marked in line with the school marking policy. Sometimes it will be appropriate for the work to be shared in a class "gallery" or discussed in a group.

During the week, Year 5 children also have spelling and times tables to learn, and should read at home every day if possible. Extended projects are also given each term, usually to be completed during half term and holidays.

Good homework habits now will benefit your child as he/she moves to Year 6 and secondary education, and we appreciate your support. If you have any questions please don't hesitate to contact us.

Yours sincerely

S Cook
