Dear Parents

I'm sure you are receiving regular updates from your son/daughter about the Year 6 production of "Ye-Ha". Rehearsals are going well and Mr Hughes, Mrs Dirks and Mrs Davies are not looking too fraught - yet!

In order to make the evening performances even more memorable we would like to offer you the opportunity to come along in costume as well! As the theme of the show is a Western then cowboy hats, an Indian headdress, cowboy boots, toy guns and rifles etc would all add to the atmosphere and enjoyment on the night.

Obviously, if you do not have any suitable props or costumes then we would still be delighted to see you at the performance and hope that you can use all 4 tickets so that both performances will have a full audience.

Yours sincerely

Andy Yeoman
