

Aims

- To establish a pattern of good work habits which help children to develop a sense of responsibility for their own learning, self discipline, independence and organisational skills
- To provide activities to be carried out at home which complement and extend classroom work.
- To enhance the home-school partnership.
- To encourage positive involvement of parents/guardians in their child's education.

Homework will not be provided for voluntary absences (such as holidays during term time), but may be appropriate in situations of long-term sickness.

There is an expectation that children will complete their homework and return it on time. If not they may be asked to complete it in their own time.
