

Recorder Lessons for Year 2 - September 2018

Dear Parents,

I have been approached by parents regarding the possibility of peripatetic recorder lessons being available for children in Year 2. As some of you probably know, I taught recorder for many years at Swanmore until my full time role meant it was no longer sustainable. However I still very much believe that learning the recorder is an ideal musical start for many infant children.

With this in mind I am trying to discover whether there would be enough interest to enable a group to start this September. The lessons will probably be taught by Mrs Staniforth, our current woodwind teacher, which would also ensure a smooth transition into other woodwind instruments if required.

I would envisage groups of 6 children with each lesson lasting 30 minutes. To make the lessons financially viable for the school there would be a charge of £45 a term.

Please let myself or the office know if your child would like to learn. As long as there is sufficient interest then I will inform you of the details before the end of term.

Regards,

Belinda Brown
Music Leader
