

Swanmore C.E. (Aided) Primary School

11th May 2018

Dear Parents,

As part of our P.D.L. programme the children in Years 4-6 will be covering the unit, 'Sex and Relationships.' This will include watching, 'All About Us: Living and Growing.' This is a DVD which has been used for many years by the school and was updated in 2014.

During the unit the children will watch the following programmes:

Year 4: Changes

Year 5: Changes, How Babies are Born

Year 6: Changes, How Babies are Born, How Babies are Made,
Girl Talk (girls only) and Boy Talk (boys only)

If you would like to watch the programmes before your child, or ask the class teachers any questions concerning the unit, they will be shown to parents at the following times:

- Year 4: Mrs Jones' classroom at 3:40pm on Thursday, 14th June
- Year 5: Mrs Bradbury's classroom at 3:40pm on Tuesday, 3rd July
- Year 6: Mr Hughes' classroom following the Bivvy Meeting on Wednesday 23rd May (Parents are very welcome to leave after the Bivvy Meeting if they would prefer not to stay for the Health Education DVDs.)

Following the programmes the children will complete activities and take part in discussions with the class teacher. This will include opportunities for the children to ask questions anonymously concerning the programmes and other health and relationship issues. The Year 6 children will be split for the Girl Talk and Boy Talk programmes.

The DVD will be shown to children on the following dates:

- Year 4: Week beginning 2nd July
- Year 5: Week beginning 9th July
- Year 6: Week beginning 18th June

If you would like to withdraw your child from any of these programmes please complete the attached form or talk to the class teacher.

Yours sincerely

T Hughes
KS2 Manager

Swanmore Primary School
YEARS 4/5/6 – HEALTH EDUCATION DVDS

Child's Name Class
