### CHINESE NEW YEAR

As always, during this half term, the infants have their themed week. This year, in our three year cycle, we will be learning about the Chinese New Year celebrations.

During the week beginning 11th February the children will all have opportunities to participate in art, technology, dance and music activities linked to the festival of Chinese New Year. If you have any artefacts, books, calendars, pictures, clothes etc at home that you think would be useful for our week please give them to you child's class teacher or if you know anyone who would be prepared to come and talk to the children, please speak to your child's class teacher.

On **Wednesday 13th** the children will participate in an activity day across the whole of the infants. All of the children will have the opportunity to work with other classes, year groups and teachers.

**The children can wear red clothes on this day.** This could be anything from socks, t-shirts, shorts, ribbons in hair. Please do not go out and buy anything special! Red is considered a lucky colour in Chinese culture.

Many thanks

Yours sincerely
