

SUPERHERO DAY—MONDAY 28th JANUARY

We would like to kick start our work on SUPERHEROS with a special dressing up day. Please do not feel the need to rush out and buy a dressing up outfit especially for this day. It is always lovely to have the favourites...spiderman, hulk, captain America etc but we also love to meet 'homemade' superheros. In the past we have had things like Rainbow Girl, Recycle Boy, Captain Cake the Cook and the Snow Queen. Please chat to your child about the superpowers they have (especially if they are a made up superhero) as we will be doing a parade and discussing our secret superpowers....Xray vision, becoming invisible, seeing in the dark, the more inventive the better!

Children need to come to school dressed up in their costume but with shoes they can do up independently. If it is cold please ensure they have lots of layers. We have PLENTY of costumes for you to borrow if you wish. Many thanks from The Year R Team.
