

Philip Dean went to the centre in May this year and found out how some of the children we sponsor are getting on.

(2018)

FATMATA

Fatmata is 14 and lives in Waterloo Western Area, Freetown. She is a pupil at the Royal Academy Secondary School, Freetown, and is class JSS2. Her health is good but she does need continual support for her development. Fatmata would like to complete her education and become a nurse at the hospital. She is very grateful for the sponsorship she receives.

A message to you from **Fatmata** [REDACTED]

Thank you mr. [REDACTED] For your Financial support
We appreciate what you are doing for me may God bless you
and may God give you more and more to support us
Thank you one small ~~my~~ may God bless you

AMINATA
