

## PARKING

Unfortunately, we have to remind parents once again about not parking on the zig-zag yellow lines at the front of the school, and on the yellow lines in the village.

Not only is it extremely dangerous for other road users, it is illegal and could be subject to a fine of £60.

To ensure everyone's safety please park responsibly. Thank you for your support.

## NEW LOCKERS and NEW CURTAINS FOR YEARS 5 and 6

We are delighted with the smart new lockers outside the Years 5 and 6 classrooms. These contain the children's belongings and keep the corridor area clean, tidy and safe from any tripping hazards. Each child has been allocated a locker in which to store their coat and a small bag. The lockers were kindly paid for by the Diocese.

A big thank you to FOSPS who funded the new curtains we have installed in the Year 5 and 6 classrooms; these will be used to give separate changing areas for PE, etc.

## Y6 WALES VISITS

Our recent Y6 Wales Residential Trips were a great success, and we are very proud of the way the children behaved on these very adventurous final residential visits.

Thank you to all the staff who took part in these visits, giving the children such wonderful experiences.

## STAFFING NEWS

As you are aware Mr Paterson has been seconded to Wickham Primary School and our Heads of School are Mr Flynn, Mrs Hall and Mr Hughes. Although this system has only been in place for a few weeks we have found that it is working extremely well.

We said farewell to Miss Head on 8th March as she starts her maternity leave. We are sure you will all join us in wishing her well at this exciting time.

Mrs Coombes (Monday to Wednesday) and Mrs Clark (Thursday and Friday) will be teaching the children in Year 1H and we look forward to working with them both.

Mrs Dingley, our amazing IT Technician, will be leaving us on 28th March to pursue personal adventures. Mrs Dingley has worked at the school for over 13 years, in several different roles, and has generously given her time and expertise to help the school. We will miss her and wish her all the very best for the future.

We have appointed Mr Frampton as our new IT Technician and are sure he will soon be fixing all our computer blips.

## TAG RUGBY WINNERS!

At a recent Tag Rugby event involving all the local schools, Swanmore won the rally and came home with the cup.

Congratulations to all the children who took part and represented the school so well.
