

Swanmore C.E. (Aided) Primary School

12th January 2021

Dear Parents,

We are taking part in some **Virtual Meet the Author** sessions arranged some time ago by the School Library Service because authors could no longer visit schools in person.

As children are now learning from home, the School Library Service has made all videos and resources available for us to share with you. During the videos, the authors answer a question submitted by each participating school.

There is also an opportunity to order a book from P&G Wells with a signed bookplate for home delivery. The age range for each book is stated on the ordering page.

We hope that these sessions will inspire children to read a wide range of books for pleasure.

Year groups will ask children to watch the videos as part of their remote learning during this week, but in case of any difficulties in accessing the content, here are the sway links to the Virtual Meet the Author videos, resources and book ordering:

(Swanmore's question is answered in the 3rd video down (called Q&A 2))

Thank you for your support.
