

8th March 2021

Dear Parents

Just a brief message to thank you for your support when accessing the site today and for supporting our plans for the children's return to school. It was lovely to see familiar faces hear some of the things families have been up to.

As expected, the children were wonderful. They settled so well and engaged wonderfully in class and had a really good day. It is lovely to have everyone back together. Here's to a great half term.

Yours sincerely

J Paterson, Headteacher
