

10<sup>th</sup> March 2021

Dear Parents

Whilst the children's return to school has been so successful, we are sure you would value some time to speak with your child's teacher. We have decided to offer virtual parents' evening on 25<sup>th</sup> and 29<sup>th</sup> March with 10 minute appointments. These discussions will not focus on academic performance but more on their return and if you have any particular concerns.

On this occasion we will not share the reports we normally would do due to the recent time out of school. We will however, share a written report at the end of the year.

As for normal parents' evenings, please book a slot in the normal way using the Parentmail book system.

Yours sincerely

J Paterson
