

Swanmore C.E. (Aided) Primary School

24th March 2021

Dear Parents,

Following our last letter in September where we rescheduled the Year 4 residential trip to go to Minstead to week commencing 19th April 2021.

We were hoping to go ahead with this trip but obviously the current guidelines regarding the Coronavirus prevent this happening, so we have to unfortunately cancel this residential trip.

We are currently liaising with Minstead Study Centre to organise an extended day visit for each class instead. They however are currently awaiting further guidelines regarding the Coronavirus.

As soon as we have further information we will communicate this to you.

Thank you for your understanding.

Yours sincerely,

Tony Hughes

Offsite Visits Co-ordinator
