

## Swanmore C.E. (Aided) Primary School

22<sup>nd</sup> April 2021

Dear Parents,

We are looking forward to our extended day visits to Minstead Study Centre on 7<sup>th</sup> May for Y4H and 14<sup>th</sup> May for Y4M.

We are planning on spending most of the day outside so require the children to be suitably dressed for the weather conditions. Please ensure they are dressed in warm clothing with a waterproof coat or jacket, have a sun hat, sun cream and wellington boots. Footwear worn must be sturdy and comfortable for the whole day.

Please provide a packed lunch and water bottle for the day. Afternoon refreshments and evening meal will be provided by the Study Centre. If your child has any special dietary needs, please could you ensure you complete the special dietary needs form, which was issued on 1<sup>st</sup> April and return this to the school office via your class teacher by **Monday 26th April**.

Both classes will leave promptly at 9.15am on their day and will hopefully return to school by 8.20pm, traffic permitting. In the event of any delays on transport or the need to contact you this will be done via the class Dojo. In the case of an emergency on the day and you need to contact either Mr Hughes or Mr Middleton please contact the Minstead Study Centre on telephone number 023 8081 3437.

We are looking forward to our extended day trip and know the children are excited about this too.

Yours sincerely,

T. Hughes

A. Middleton
