

The school will:

- Reflect the school's Christian values of honesty, charity and respect and encourage the children to embody these values in school.
- Provide a rich, enjoyable and safe learning environment which is friendly and welcoming to children and their families.
- Encourage the children to become independent learners with active and enquiring minds and a resilient attitude.
- Expect high standards in all aspects of school life and teach our school rules:
Ready – for school work
Respect – for one another and school property
Safe – mindful of their own and others' safety.
- Have a policy of inclusion where all children, regardless of their needs, ability, gender, income or family circumstance can flourish and achieve their potential and ensure that no child is left behind.
- Inform parents about their children's learning and progress and share information on general school matters.
- Consistently strive to achieve a goal of 100% attendance for all children and safeguard children by pursuing unauthorised absence and poor attendance.

It is also important that you

- Keep your child at home for 48 hours, from the last episode, if they have been sick or have had diarrhoea.
- Let the school know in advance if you need to take your child out of school for an appointment with the doctor or dentist, but avoid taking children out of school for non-urgent appointments.
- Requests for holidays in term time are very rarely authorised, so only request leave in exceptional circumstances. Please refer to our Attendance Policy on the school's website.
- Ensure that contact numbers are up to date so that we can call you if necessary.
- Inform the school if someone else is collecting your child at the end of the day. We will not let them go without your permission.
