

If you have any worries or concerns...

LET'S
TALK
ABOUT IT

Firstly, we advise that you speak with the **Dedicated Safeguarding Lead** at your **child's school or college**. They will know your child and have had extra training to know how pick up on concerning behaviour. They can talk through your concerns, give advice and get extra support should you need it.

If you'd rather speak online, these websites can help you share your different concerns:

- If you live in Wales, [share your concerns about radicalisation here](#)
- You want to report any suspicious [terrorism concerns](#)
- If you need to report a [hate crime](#)
- You've seen something online that supports, directs or glorifies terrorism including websites, films or images [report them here](#).
- The **NSPCC** have a helpline 0808 800 5000 to talk to someone or an online form to share your concerns about your child
