

Swanmore Young Governors Application

Do you think that you would be great at listening to your friends' ideas about our school, and feel confident to share them with other children from different year groups?

If you do, then perhaps becoming a **Swanmore Young Governor** is for you!

A **Swanmore Young Governor** will get to share their own and others ideas about how we can make our school an even better place for all of the children! This is a very exciting and important job!

You will meet with Miss Parker every fortnight and talk about how we can make Swanmore the best it can be.

If you think you would like to contribute to our school community by becoming a **Swanmore Young Governor**, then please fill in the application form on the reverse of this letter. Please try to fill this form in yourself and think carefully about your ideas before you write them down. If writing your ideas is tricky, you can ask a grownup at home to help you.

Miss Parker will collect in all application forms on/or before Tuesday 13<sup>th</sup> September. (Please hand these to her personally or to the school office. These application forms will be read and shortlisted to 4 children per class.

Friday 15<sup>th</sup> September 2023 is International Democracy day, on this day the shortlisted candidates will talk to their class and present their case (class adults will support the children through this process) we will then be holding a voting day where each class will vote in to elect their two chosen class representatives.

Successful candidates will be announced on Monday 18<sup>th</sup> September. Good luck!
