

Hello Kingfishers,

I am so excited you are joining our Kingfishers class! We are going to have so much fun and do some fantastic learning together.

A little bit about me:

- My name is Miss Woolley.

- I have a dog called Luna.

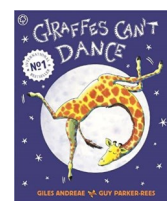

- My favourite colours are blue and pink.

- My favourite thing to have for dinner is a roast.

- In my spare time I love to go paddle boarding and going away in my campervan. I also love travelling the all around the world and some of my favourite places that I have been include Australia, Kuala Lumpur, Singapore and Thailand.

- My favourite children's book is 'Giraffes can't dance' by Giles Andreae.
- I have ran a half marathon.

At school my favourite subjects to teach are Maths and Science. I love Maths because I enjoy using different methods to work out an answer. I also love that feeling when you have worked really hard to work out an answer and you finally get it! I enjoy science because I love the practical side of it and learning about animals and plants.

I am so excited to get to know you better in September. I hope you have an amazing summer holiday.

From Miss Woolley
