

Hello Woodpeckers,

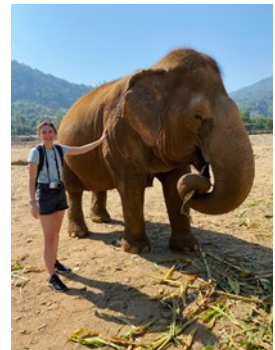

I am so excited you are joining our Woodpeckers class! We are going to have so much fun and do some fantastic learning together.

A little bit about me:

- My name is Miss Chitson

- My favourite colour is purple
- I love spending time with my family, and I have one older brother called Tom.
- In my spare time, I like to run, walk and explore new places.
- I love to travel and earlier this year I was lucky enough to visit Thailand and met some elephants.
- My favourite children's book is 'Stickman' by Julia Donaldson.

At school my favourite subjects to teach are History and English. I love History because I enjoy learning about how people used to live and compare it to how we live now. I also love going on school trips to historical places. I enjoy teaching English because I love books. Books allow us to explore and experience different characters lives and to learn facts about people, places and things in our world.

I am so excited to get to know you better in September. I hope you have an amazing summer holiday.

From Miss Chitson
