School Assemblies

Y1C had their class assembly today and they did an amazing job! A huge well done Y1C for all your hard work and putting on an excellent assembly!

The assemblies are shared across our year groups and classes so everyone gets a turn to get involved. Invites to attend are open to adults with children in the respective classes who are conducting the assembly for that week. These details are on the school calendar and sent out in each weekly bulletin, so keep an eye out for your child's class!

Medicine in School

If your child requires medication during the school day, it is important for us to have the necessary information and permission from parents before administering any medication to a student. It is also important to inform us of any medical conditions or allergies that your child may have. The permission form is available at the school office, and you can collect it during office hours. Once completed, please return it to the school office as soon as possible, so we can keep it on record and provide appropriate care for your child if needed.
