School Assemblies

Y4M put on a wonderful class assembly today! A big pat on the back Y4M for all your effort and practicing.

The assemblies are shared across our year groups and classes so everyone gets a turn to get involved. Invites to attend are open to adults with children in the respective classes who are conducting the assembly for that week. These details are on the school calendar and sent out in each weekly bulletin, so keep an eye out for your child's class!

Medicine in School

If your child requires medication during the school day, it is important for us to have the necessary information and permission from parents before administering any medication to a student. It is also important to inform us of any medical conditions or allergies that your child may have. The permission form is available at the school office, and you can collect it during office hours. Once completed, please return it to the school office as soon as possible, so we can keep it on record and provide appropriate care for your child if needed.
