

SUPERHERO DAY—Monday 19th February

As part of our Superhero project we are going to have a special superhero dressing up day. Please do not feel the need to rush out and buy a dressing up outfit especially for this day. It is always lovely to have the favourites...Spiderman, Batman/girl, Captain America, Elsa etc but we also love to meet 'homemade' superheros. In the past we have had things like Rainbow Girl, Recycle Boy, Captain Cake the Cook and the Snow Queen. Please chat to your child about the superpowers they have (especially if they are a made up superhero) as we will be doing a parade and discussing our secret superpowers....Xray vision, becoming invisible, seeing in the dark, the more inventive the better!

Children need to come to school dressed up in their costume but with shoes they can do up independently. If it is cold please ensure they have lots of layers. We also have some costumes for you to borrow if you wish.

Many thanks from The Year R Team.
