

## Swanmore C.E. (Aided) Primary School

16<sup>th</sup> January 2024

Dear Parents & Carers,

As part of our ongoing work to develop the support of our pupils with special educational needs and disabilities, as well as their families, we would like to invite you to another coffee afternoon for parents of children who are on the SEND register. This will take place at **2:45pm on Thursday, 25<sup>th</sup> January.**

The session will be run by myself and Bobbie Branson who is the local authority governor linked to our school. Bobbie has an overview of the SEND provision, therefore it will be a useful opportunity for her to understand your views more clearly in order to help develop the support that we offer and also give you an opportunity to ask any questions that you may have. It is also an opportunity for you to meet with other parents of children with SEND and to share information. The hope is that this will enable parents to support each other with any challenges that they have, as you often find that someone else has been struggling with the same challenges and may have found some successful solutions. We hope that it will be a good forum to also problem solve and share ideas alongside getting to know you better and further develop our support.

If you would like to join us for the coffee afternoon, please complete and return the reply slip by Monday, 22<sup>nd</sup> January so that we have an idea of how many people to expect.

If there is anything that you are concerned about or would like to speak to me directly outside of these times, then please do not hesitate to contact me either via phone or email, or through your child's class teacher.
