

Swanmore C.E. (Aided) Primary School

15<sup>th</sup> March 2024

Dear Parents & Carers

Next half term our project is called 'Digging for Dinosaurs'. As part of this we would like to complete a dinosaur and fossil digging workshop on Tuesday the 16<sup>th</sup> April. The children will get the opportunity to look at real life fossils, find out about where they used to live, where they came from, what they ate and much more.

This activity will take place in school and will cost £10.00 per child. Although contributions to school workshops are voluntary, the workshop may unfortunately have to be cancelled if insufficient contributions are received. Please may I ask you to check your eligibility for free school meals, following the link:: <https://www.cloudforedu.org.uk/ofsm/hants> Those parents who are entitled would be eligible for assistance in meeting the cost of school workshops.

If you would like 'Pay it Forward' and support a family who may not be able to afford the workshop, please enter the amount you would like to pay, including the price for the workshop. All additional donations will be used to pay for children where families are facing financial challenges.

Please make your payment in an envelope marked with your child's name and class on the outside. Alternatively, you are able to pay online via scopay. Please make your payments by 25<sup>th</sup> March at the latest. If there are any problems please let us know.

Yours sincerely

B. Woolley
