FOSPS NEWS

End of January - FOSPS will be circulating Rags 2 Riches bags which can be filled with good quality, reusable clothing, returned to school and donated. So please bear this in mind if you are having a clear out.

Thursday 12th Feb - School Disco

Tickets now available from the FOSPS website

<https://www.pta-events.com/swanmoreprimary/index.cfm?event=event&eventId=106445>

We are looking forward to the children's school disco, after school, on Thursday 12th Feb.

Tickets include entrance to the disco, a snack and a drink, glitter and tattoo stand and photobooth!

In support of Children's Mental Health Week we're delighted to share we will be donating 10% of profits from this event to a Children's mental health charity.

Please see the website for more info, and year group timings.

Saturday 28th Feb 18:30 - FOSPS annual quiz night.

Tickets now available from the FOSPS website

<https://www.pta-events.com/swanmoreprimary/index.cfm?event=event&eventId=106446>

If you haven't been before this is a brilliant adults-only quiz night, with fish and chips, BYO, some amazing prizes to win in the silent auction (Bestival tickets were up for grabs last year!). Fancy dress is mandatory!

Tables can be 6, 7 or 8 people, but if you are a smaller group please let us know and we can try and match you up with another group.

School Pantomime

This Year the School Pantomime will be Robin Hood, this will take place in the school hall during the morning of **Tuesday 20th January**. Very generously FOSPS have kindly covered the cost for the Pantomime so no payments will need to be made.

All Year Group News

As we return to school this Spring term we will be having a whole school world religions day on 19.1.26. This is part of your child's RE spiral curriculum whilst at Swanmore Primary. It is a day to pause and explore religious and non-religious world-wide views, and this year we are lucky to have secured a visitor for every year group to help the children understand their year group focus even more! During the day the children will be involved with discussions, art, craft, drama, and artefacts about their religious or non-religious world-wide view. RE days are important for the following reasons:

The big question that will be explored in every year group this year is 'How does your religion / non-religion impact your everyday life? '.

This is the overview for each year group. We can't wait to share pictures with you from the day!

Year group	Focused religion
EYFS	Judaism
Year 1	Hinduism
Year 2	Islam
Year 3	Sikhism
Year 4	Sentientism
Year 5	Buddhism
Year 6	Humanism

Volunteers to listen to children Read

Dear Parents, we have some children throughout the school who are below their peers in their reading ability. Regular support to develop fluency and the opportunity to talk about the books they are reading will have a huge impact on their progress and, as a result their life chances. Reading is a key life skill and one which we are determined to impart to all our children however we need help to achieve this. We are looking for volunteers (parents, grandparents, neighbours) to help give children extra support with daily practice reading out loud. Generally, afternoons are preferable (any time from 1.15pm), although we can accommodate mornings. If you are able to commit to a regular time this would be a great help in order for the children to build a relationship with you and enable you to see the progress they are able to make over a period of time. Whilst a couple of hours of support weekly would be great, we are also looking for a team of people who can change their 3.30pm pick up routine and come to school at 3pm and give us a regular half an hour slot.

If you are able to help us, we would be extremely grateful. We have a booklet to help volunteers with how to support the children's reading. However, I am more than happy to answer any questions volunteers may have about the process.

An enhanced DBS check will need to be completed before people can help in school but our office team can help you with this process. Please ring the school on 01489 894555, email adminoffice@swanmore-pri.hants.sch.uk or call in at the office if you are interested in volunteering.

Many thanks

Mrs J Hughes

Pop Up Food Bank

It's back! We're running our Pop-Up Food Bank this year in support of the Meon Valley Foodbank. If you are able to please bring along any donations to the playground before the start of the day and we will load them on to the mini bus and take it over to the Meon Valley Food bank for local families.

In December, perhaps a Christmas 'treat' might be there to help with the festivities even! Thank you in advance!

The National Year of Reading

[<http://National Year of Reading 2026 | Go All In>]

2026 has been declared 'The National Year of Reading' and you will, undoubtedly, see lots in the media about this as the government and National Reading Agency encourage us all to read more and be role models for our children. You can find out more about it [<http://National Year of Reading 2026 | Go All In>] here and we will be providing details of news and events through the year. I thought we would start the year by sharing the School Library Service list of recommended reads for each year group - you will find them in the year group sections below. Why not show the poster to your child and ask them whether they've read any of the listed books; if not, perhaps you could head to a library or log onto Sora (our digital reading app) to see if they can borrow it!

As always, please don't hesitate to reach out to Mrs Cole if there is anything we can do to help yours or your child's reading journey. Email: library@swanmoreapps.com

Thought for the Week

At Swanmore Primary school the children explore their spirituality through a 'thought for the week'. The children are invited to use their deeper thinking to look at themselves, each other, and the wider world.

We also have a library of thought for the weeks through the year which will show you the type of activities the children have been doing in class. Please follow this bread crumb trail on the school website to discover more:

Home - Our school - Worship - and then pick the 'Thought for the week' tab and which term you'd like to look at.

Please take a look at the 3 folders as you will be able to see how the children explored the thought for the week in a particular term. We hope you enjoy looking at how the children explore their spirituality each week!

This week the children are looking at:

Home-Start Hampshire needs your help. We are a local charity that supports families with children up to the age of 11 in your community. Our volunteers offer friendly, practical support to parents who may be finding things tough — helping to make a real difference in their lives.

We are currently in urgent need of volunteers who can spare just a few hours a week to visit a local family.

Would you be able to share our "Volunteers Preparation Training" flyer with your parents (via your newsletter or parent mail) or display it on your school notice board? Your support would be invaluable in helping us reach more people who may be interested in volunteering.

To find out more about what we do, please visit our website: www.home-starthampshire.org.uk.

Thank you so much for your time and for helping us support families in our community.

Good Autism Practice

Gain practical knowledge, and discover hands-on tools and techniques to support autistic children in your setting.

Who is this training for?

This is a module for practitioners who work directly with autistic children in schools, and it provides guidance on processes and tools that can help practitioners to implement good autism practice.

What will you learn?

- Develop your knowledge and understanding of good autism practice
- Reflect on and improve your practice in working with autistic pupils
- Understand strategies and approaches you can draw upon for autistic pupils you work with
- Reflect on the kind of information you need to collect for creating a person-centred education plan
- Consider how to involve the autistic pupil and their family in setting learning goals
