INSET Day Reminder

Monday (22nd June) is an INSET day so we look forward to seeing the children return after the weekend on Tuesday 23rd June.

Scholastic Book Fair

We are excited to be welcoming back the Scholastic book fair from Wednesday 1st July to Monday 6th July and you will have already received an email with all the information about how it will run.

Classes from Y1-Y6 have an allocated browsing window so that the children can get a good idea of what is available and staff will support the children in writing down their favourite items. All children, including those in Reception, are welcome to attend the book fair, supported by their grown-ups, before or after school where payment may be made digitally or by card.

Weather dependent, the fair will be on the playground or in the hall and will be accessible from **8.30am until 9.00am and from 3.30 until 4.00pm** on the following days: **Wednesday 1st, Thursday 2nd, Friday 3rd and Monday 6th July**. In addition to this, the fair will also be available to browse from 11.30 until 1.30 on Sports Day.

Government launches Great British Summer Savings

This scheme comes into effect this summer (25th June to 1st September) and includes reduced VAT on days out, including tickets at attractions like soft play, adventure centres and theme parks, children's tickets for theatres and cinemas, and children's meals in restaurants. Children aged 5 to 15 in England will also be able to travel free on local bus services throughout August.

Clean Air Challenge

We are taking part in The Clean Air Challenge this half term! Our event will run from Monday 29th June to Thursday 2nd July. By walking, scooting or cycling during the challenge week, you'll be helping to reduce air pollution and create a healthier environment for everyone.

We will be running a competition between the classes to see which class actively travels the most!

Please see the poster towards the end of this bulletin for further details.

Support Staff Vacancy - Admin

We have a vacancy in our office team for an Admin Assistant, working 25 hours per week (8am – 1pm). For further details about the role please visit [Education Jobs South - Admin Assistant vacancy](#) The application window closes on 30th June 2026. If you have any questions at all about this role, please speak to Mrs Cook or a member of the office team who will be happy to help.

Activeme360 Summer Holiday Camps

Activeme360 will be running holiday camps at Swanmore College again during the summer holidays. Please see the posters further in in the bulletin for more details. There is 15% discount if you book before 29th June!

Don't forget that if your child is eligible for benefits related free school meals, then the holiday camp is free of charge, so sign your child up today!

Inset Days for 2026/2027

We are currently mapping dates for next year and we can confirm the first term's INSET dates are:

Tuesday 1st September

Wednesday 2nd September

Monday 30th November

The remaining dates for the year are likely to be Monday 18th January and Friday 30th April but this is caveated by these being subject to change. Generally, we have released dates a term at a time to avoid things having to move but I appreciate parents' work can need notice for leave.

Uniform Expectations

As we begin to enjoy the warmer weather, we would like to remind families of our school uniform expectations. Girls may wear shorts underneath skirts or dresses for comfort and practicality; however, cycling shorts worn as outerwear are not part of the school uniform and should not be worn to school. We would also like to remind parents that children should wear black school style shoes. In line with our uniform policy, bracelets and necklaces should not be worn to school. We appreciate your support in ensuring children continue to arrive dressed appropriately and in line with our uniform policy. Please take a moment to review the full policy

Thought for the Week

At Swanmore Primary school the children explore their spirituality through a 'thought for the week'. The children are invited to use their deeper thinking to look at themselves, each other, and the wider world.

We also have a library of thought for the weeks through the year which will show you the type of activities the children have been doing in class. Please follow this bread crumb trail on the school website to discover more: Home - Our school - Worship - and then pick the 'Thought for the week' tab and which term you'd like to look at.

Please take a look at the 3 folders as you will be able to see how the children explored the thought for the week in a particular term. We hope you enjoy looking at how the children explore their spirituality each week!

We are taking part in The Clean Air Challenge this half term!

Our event will run from Monday 29th June to Thursday 2nd July.

By walking, scooting or cycling during the challenge week, you'll be helping to reduce air pollution and create a healthier environment for everyone.

We will be running a competition between the classes to see which class actively travels the most!

There will also be a school-wide picture competition running all week. Send us a funny or creative photo of your child being active out-and-about or at home, and our Eco-Council will vote on their favourite pictures to win a prize.

E.g.

-Jazz up a bike with some tinsel and go for a cycle!

-Riding a scooter in fancy dress!

Please email any photos to adminoffice@swanmore-pri.hants.sch.uk FAO Miss Chitson, or bring them into school. The children can also draw their entries instead if they would prefer.

As a school, we will be entering The Hampshire Clean Air Challenge competition by sharing details of our week and will be in with a chance of winning an air quality kit, scooter gear or a gardening set for our school!
