Uniform Expectations

As we begin to enjoy the warmer weather, we would like to remind families of our school uniform expectations. Girls may wear shorts underneath skirts or dresses for comfort and practicality; however, cycling shorts worn as outerwear are not part of the school uniform and should not be worn to school. We would also like to remind parents that children should wear black school style shoes. In line with our uniform policy, bracelets and necklaces should not be worn to school. We appreciate your support in ensuring children continue to arrive dressed appropriately and in line with our uniform policy. Please take a moment to review the full policy

Swanmore History Trail

The Parish Council has created a Swanmore History Trail around the village. There are 12 information posts at various locations with QR codes linking to the Parish Council website, where you can find stories about much-loved villagers, familiar buildings and the places that have shaped Swanmore over the years.

We hope the trail is an enjoyable and educational way for pupils to explore Swanmore's history. A map is included at the end of this bulletin showing the locations of the posts. Please note that some are on lanes without pavements.

Thought for the Week

At Swanmore Primary school the children explore their spirituality through a 'thought for the week'. The children are invited to use their deeper thinking to look at themselves, each other, and the wider world.

We also have a library of thought for the weeks through the year which will show you the type of activities the children have been doing in class. Please follow this bread crumb trail on the school website to discover more: Home - Our school - Worship - and then pick the 'Thought for the week' tab and which term you'd like to look at.

Please take a look at the 3 folders as you will be able to see how the children explored the thought for the week in a particular term. We hope you enjoy looking at how the children explore their spirituality each week!
