Charity Day: Monday 28th September

We are coming together as a school community to raise £5,000 to fund the safe removal of diseased trees in Captain Phillimore Woods so that we can continue to visit and uphold this well-established tradition for future generations. Until this work is completed, we are unfortunately unable to use the woods. We therefore need your help to raise the money needed to reopen this very special part of our school community. Charity Day on Monday 28th September, children can:

- Come to school wearing nature-coloured clothing
- Take part in nature-themed challenges and activities
- Participate in a sponsored litter pick across Swanmore school and village. Children will be coming home with a sponsorship form on Friday.
- Learn about caring for our environment
- Explore why Captain Phillimore Woods is so important to our school

We will also be holding a raffle. Tickets are £1 per ticket or £5 per strip. Please send money to your child's class teacher, who will issue raffle tickets during the week beginning 28th September.

The raffle will be drawn on Monday 5th October and you will be contacted if you win a prize! More details about the prizes will be shared soon!

Thought for the Week

At Swanmore Primary school the children explore their spirituality through a 'thought for the week'. The children are invited to use their deeper thinking to look at themselves, each other, and the wider world.

We also have a library of thought for the weeks through the year which will show you the type of activities the children have been doing in class. Please follow this bread crumb trail on the school website to discover more: Home - Our school - Worship - and then pick the 'Thought for the week' tab and which term you'd like to look at.

Please take a look at the 3 folders as you will be able to see how the children explored the thought for the week in a particular term. We hope you enjoy looking at how the children explore their spirituality each week!

Dear Parents and Carers,

We present you Cleveroo, a brand-new way for your child to enjoy their school lunch.

Nothing changes for you. You'll order and pay exactly as you do now, same system, same prices, same freshly prepared food cooked on site by our chefs. What changes is what happens at lunchtime.

Instead of queuing for a tray and sitting in one place, your child collects their meal in a purpose-designed takeaway box and takes it with them. Outside on the field. In the hall with their class. Somewhere quieter with a friend. Their lunch, on their terms.

And yes, it's still hot food.

We've redesigned the menu specifically for this, so nothing is compromised:

- Pasta pots
- Pizza slices
- Fish fingers and chips
- Wraps, and hotdogs

Why we think your child will love it

Lunchtime is the one part of the school day that belongs to them. Cleveroo gives them a bit more of it back, more time playing, chatting and actually enjoying their food. Children eat better when they feel relaxed and in control of their choices, and this is a small change that makes a real difference to how lunchtime feels.

What you need to know

- Ordering and payment stay exactly the same. No new app, no new account.
- All allergen and dietary information is unchanged and accessible via a QR code.
- Free School Meals are included, with no difference in experience.

Cleveroo starts this september.

Your child doesn't need to do anything differently; they'll simply be shown how it works on the day.

Order. Take Away. Enjoy!
