

Write a letter to a child in your country. Include some information about life in the UK and include 3 questions you would like to ask them.

Food - What are the national specialities or favourites? Which foods would you like to try if you went on a visit?

Write an adventure story involving you and your animal. See the activity sheet for ideas and guidance.
Add illustrations as you write.

Keep a weather diary for 2 weeks. Follow the instruction sheet in this week's folder. Compare your weather diary with the weather in your chosen country over the same two weeks.
You could also look at the climate in your country through the year. Are there seasonal weather patterns like ours? When would be the best time of the year to visit? Explain why.

What is your country famous for?
Which famous landmarks could we see there?
Which sports take place in your country?
Do they have any successful teams?
Sports celebrities? Sporting locations? Events?

Start here!

Choose a country from this list to study:

Iceland, Peru, Canada, India, Hawaii, Japan, Russia, Australia

How many activities can you complete?

My country is

Complete the "Lottery Winners" comprehension. If you were to win the lottery and use the money for a luxurious holiday in your country, where would you visit? What would you do there? Who would you take with you?

Which animals are found in your country?
Make a poster to show your favourites!
Explore their skeleton, food web and life cycle.

When you have finished your research design and make a board game about your country to share your facts with your family!

What is the best way to travel to your country?
How long would it take? Are there any alternative routes? Draw a map to show the journey there from the UK. Include the following: Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle.

Is there a time difference with the UK?

Top ten facts about your country.
Make a booklet or PowerPoint presentation to share these.
Include information on physical features: (mountains, volcanoes, rivers, vegetation, size and location) and human features (cities, land use, main occupations, religion)

Find and draw the flag of your country. What do the different colour and/or symbols represent?
Design a new flag for your country, explain why you have chosen the colours and symbols on it.

Make a list of the famous people or celebrities that come from your country.
Choose one to find out more information about.

This project will last for 2 weeks. Choose your favourite activities to complete, tick them off as you go.

You could add something of your own too...
